CAREER OBJECTIVE

Passionate and dedicated IT student with strong skills in Python, Data Science, Data Analysis and Web Development. I aim to contribute to a growth-oriented organization by applying my knowledge to solve real-world problems while continuously enhancing my expertise and broadening my technical knowledge.

EDUCATION

SAGE University, Institute of Engineering and Technology   **Indore, 2022 – 2026**
B.Tech. in Information Technology   *CGPA: 7.64*

12th, Madhya Pradesh Board of Secondary Education   **2021 – 2022**
Physics, Chemistry, Mathematics   *Percentage: 66.6%*

10th, Madhya Pradesh Board of Secondary Education   **2019 – 2020**
General Studies   *Percentage: 85.5%*

TECHNICAL SKILLS

- **Programming Languages:** Python, SQL, HTML, CSS, JavaScript
- **Frameworks & Libraries:** NumPy, Pandas, Matplotlib, Seaborn
- **Data Science & Analysis:** ETL, Exploratory Data Analysis (EDA), Data Preprocessing, Data Visualization, Machine Learning (ML)
- **Tools & Software:** Power BI, MySQL, MS Excel, Jupyter Notebook, Git & GitHub
- **Other Skills:** Data Structures & Algorithms, OOP Concepts

PROJECTS

MITRA – Blood Donor-Recipient Connector ⬀ | https://github.com/Aadrshgurjar/MITRA-PROJECT

- Developed a real-time web app to connect blood donors with recipients in emergencies.
- Implemented secure authentication, donor registration, and request handling features.
- Integrated location-based search to match nearby donors efficiently.
- Technologies Used: Python, Flask, SQL/MySQL, HTML, CSS, JavaScript, VS Code.

E-commerce Data Analysis Project ⬀ | https://github.com/Aadrshgurjar/US-Regional-Sales-Analysis

- Managed and analyzed regional sales data using Python, Pandas, and Matplotlib to identify key business trends.
- Developed interactive visualizations and Power-BI dashboard to present sales performance and trends for strategic decision-making.
- Technologies Used: Python, Power BI, NumPy, Pandas, Matplotlib, Seaborn, Jupyter Notebook.

My Portfolio Website ⬀ | https://aadrshgurjar.netlify.app/

- Designed and developed a fully responsive personal portfolio website.
- Showcases projects, resume, and technical skills in a clean and user-friendly interface.
- Technologies Used: HTML, CSS, JavaScript.

CERTIFICATIONS

- Data Analytics - **IBM / Coursera**
- AWS Solutions Architect Associate Workshop - **Sage University**
- SQL Certification - **HackerRank**
- Python Certification - **HackerRank.**
